

## Mushroom Collecting Permits

Obtaining your mushroom collecting permits is much easier this year. There are two ways you can obtain one. You can purchase one at the Cal-Fire office in Fort Bragg in person, (Check their website for days and hours of operation) or you can request a permit through the mail. To obtain a permit via the mail click on the following link:

Once the permit is processed it will be mailed back to the permittee. The process turn-around can take up to 2 weeks, so allow sufficient time in order to get your permit on time. (**LSUGGEST MAILING IN YOUR PERMIT APPLICATION AS SOON AS POSSIBLE**). There are 140 people coming to Mendo Camp this year, so the processing of a lot of applications could take longer than usual, don't wait!

Any individual who plans to collect any type of mushrooms for personal in the Jackson Demonstration State Forest, (JDSF) for personal use will be required to have a mushroom picking permit, including "**foray leaders**"

Note: A mushroom collecting permit is not required if you collect mushrooms solely within the boundaries of the Mendocino Woodlands State Park.
